ATTENTION RUTGERS STUDENTS
AVOID ISSUES ON ELECTION DAY

IF YOU HAVE MOVED SINCE YOU LAST REGISTERED TO VOTE, READ THIS CAREFULLY!

State law requires that your official polling place (where you must vote) is determined by where you currently live.

If you have moved (even between dorms) and have not updated your voter record, you will not be able to vote at the same place and need to update your voter record to avoid issues on Election Day.

To check if and where you are registered or to find your polling place (& other useful information) go online to:

http://www.njelections.org/voting-information.html

Then select “Am I Registered” or select “Where to Vote”

To update your voter record or if you never registered before but you wish to register for the first time and vote, you can go to the following site to complete an online form that you must print, sign and mail (no postage required) or bring in to the Board of Elections before the Close of Registration (21 days before the election)
